Create IBM Cloud Account:

The screenshot displays the IBM Cloud Account settings page in a web browser. The browser's address bar shows the URL `cloud.ibm.com/account/settings`. The page features a dark sidebar on the left with navigation links: Account, Account resources, Resource groups, Cloud Foundry orgs, Licenses and entitlements, Tags, Dashboards, Account settings (highlighted), IBM Cloud Shell settings, Notification distribution list, Classic infrastructure, and Subscriptions. The main content area is titled 'Account settings' and contains a message: 'This account is closed. Reactivate this account by adding a credit card or subscription code.' Below this, the account details are listed: 'Account' (Dwaraka Kavya Sudha's Account), 'ID: 058249e52cd547178ab372fbc804ef0', 'Account Type' (Lite (Free)), and 'Account upgrade' (Pay-As-You-Go). The 'Pay-As-You-Go' section includes text: 'Add your credit card to unlock the full power of IBM Cloud with a Pay-As-You-Go account. You'll still be eligible for free runtime and service allowances, and you'll be charged only for paid services that you use. [Learn more](#)'. The bottom of the page shows a Windows taskbar with the date and time '09:28 PM 09-11-2022'.
